

Code of Behaviour

BODYKE NATIONAL SCHOOL

1. INTRODUCTION

In compliance with Section 23 of the Education (Welfare) Act 2000, the Board of Management of *Bodyke National School* has prepared and made available a Code of Behaviour for its Pupils, Staff and Parents.

The Code of Behaviour details:

1. The standards of behaviour that shall be observed by each pupil attending the school;
2. The whole school approach in promoting positive behaviour;
3. The measures that shall be taken when a pupil fails or refuses to observe those standards;
4. The procedures to be followed before a pupil may be suspended or expelled from the school concerned;
5. The grounds for removing a suspension imposed in relation to a pupil
6. The school's Anti-Bullying Policy; and
7. The procedures to be followed in relation to a child's absence from school.

The Code of Behaviour of *Bodyke National School* has been developed in accordance with '*Developing a Code of Behaviour: Guidelines for Schools*', *National Educational Welfare Board, 2008*.

2. POLICY FORMULATION

In formulating this policy the Board of Management completed the following steps;

- i. Parents and Staff were informed that an initial draft of the Code of Behaviour was available and they were invited to make submissions on the content of the code within a specified timeframe.
- ii. Class teachers were requested to discuss the topic of 'rules' with their classes and submit a list of pupils suggestions to the Principal.
- iii. The initial draft of the Code of Behaviour was reviewed and where appropriate amended in-line with the feedback received.
- iv. The finalised draft of the policy was submitted for the Patron's Approval.

3. AIMS & OBJECTIVES OF THE CODE

The aims and objectives of the code are:

- To allow the school to function in an orderly way where children can make progress in all aspects of their development
- To create an atmosphere of respect, tolerance and consideration for others
- To promote positive behaviour and self-discipline, recognising the differences between children and the need to accommodate these differences
- To ensure the safety and well being of all members of the school community

- To assist school staff, parents and pupils in understanding the systems and procedures that form part of the code of behaviour and to seek their co-operation in the application of these procedures
- To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner throughout the school.

4. WHOLE SCHOOL APPROACH

The Board of Management recognises the importance of creating consistent values, policies, practices and relationships that support the Code of Behaviour. Such an environment may only be formed by involving the entire school community and in this respect the Board acknowledges the importance of the roles played by, the principal, teachers, ancillary staff and parents in the review and operation of the Code.

5. STANDARDS OF BEHAVIOUR

5.2 Staff

It is the Principal's responsibility to ensure the school's Code of Behaviour is administered in a manner that is consistent and fair to all pupils. However each staff member has responsibility for the maintenance of discipline within common areas of the school.

Teaching staff are specifically responsible for the management of behaviour within their own class.

They will:

- Discuss the Code of Behaviour with their class in an age appropriate manner at the beginning of the school year.
- Ensure the rules are displayed in the classroom.
- Encourage self-discipline and positive Behaviour.
- Ensure there is an appropriate level of supervision at all times.
- Implement the reward/sanction scheme in a fair and consistent manner.
- Keep a written record of all incidents of continued, serious or gross misconduct. This record will indicate the advice and/or warnings given to the child on the misbehaviour and, the consequences of its repetition.
- Inform pupils when instances of misbehaviour on their part are being recorded.
- Report repeated instances of serious misbehaviour to the Principal.

5.3 Parents/Guardians

Parents/guardians play a crucial role in shaping attitudes in their children which produce positive Behaviour in school. Parents/guardians can assist the school by encouraging their children to abide by the school rules, encouraging punctuality and regular attendance and by ensuring that homework is given due time and effort.

Should a parent/guardian be concerned about any aspect of their child's behaviour they are welcome to make an appointment to discuss their concerns.

In cases of an identified pattern of misbehaviour parents will be invited to participate in the intervention process.

6. PROMOTING POSITIVE BEHAVIOUR

As a general rule the school will endeavor to create an environment where positive Behaviour is reinforced through praise and reward. School staff will use encouraging language and gestures, both in

class and around the school, so that positive Behaviour is instantly recognised and positively rewarded. Special attention will be paid to pupils who have previously been associated with poor Behaviour so that not only good Behaviour but also improvement in Behaviour is acknowledged.

A reward scheme for promoting positive Behaviour will be used. Such rewards will include;

- Personalised letters to parent(s)/guardian(s)
- Special privileges

7. INAPPROPRIATE BEHAVIOUR

In order to establish a common understanding and consistent response the Code of Behaviour classifies misbehaviour into three levels based on the degree of disruption caused by the misconduct. The Code also specifies the disciplinary actions and supportive interventions that will be employed.

Level One

Level 1: Behaviours

Level 1 behaviours are those that interfere with the orderly learning environment of the school, classroom, and common areas. Students learn through their mistakes. To this extent, responses to the daily behaviours, which occur in school, will be developmentally appropriate, instructive and positive. Children will be taught what is expected and how they should behave. Listed below are some examples of the types of Behaviour that are included in Level 1. Please note the list is not exhaustive.

- Failure to prepare for class, as defined by individual teachers
- Running in the hallways
- Disturbing the work or play of others
- Disrespectful language, tone, or manner
- Ignoring staff requests

Level 1: Disciplinary Actions

Consequences for Level 1 behaviour are dependent upon the severity and frequency of the specific behaviour. Teachers will discipline students at level 1. Some examples of Level 1 responses are:

- Verbal reprimand/reminder(s)
- Reinforcement of alternative positive behaviour
- Temporary separation from peers, friends or others
- Prescribing additional work
- Loss of privileges
- Parent contact
- Behaviour contract

Level 1 Supportive Interventions

Listed below are some examples of Level 1 supportive actions:

- Classroom-based interventions, such as Open Circle or class meetings, with the option of informal consultation, (e.g. with parent(s)/guardian(s) or staff members)
 - Discussion of behaviour with the child
-

- Informal notes regarding incident/intervention/date. This information would be useful should a problem persist.

Level Two

Level 2: Behaviours

Level 2 behaviours are those that seriously interfere with the orderly environment of the school and are potentially dangerous to the safety and well being of the students and staff. Listed below are some examples of the types of behaviour that are included in Level 2. Please note the list is not exhaustive.

- Repeated instances of Level 1 behaviour which have not been modified by intervention
- Behaviour which is dangerous to self or others (e.g. shoving, pushing, hitting)
- Intentionally damaging school or personal property
- Stealing
- Cheating
- Use of profanity
- Derogatory reference to another person's race, gender, religion, physical condition, disability, or ethnic origin
- Disrespectful language or behaviour toward an adult
- Possession or use of dangerous toys or sporting equipment (e.g. bow and arrows, any kind of knives, etc.)
- Leaving the school without permission during the school day or leaving the care of school staff during school outings.

Level 2: Disciplinary Actions

The disciplining of students for Level 2 behaviour is dependent upon the severity and frequency of the specific behaviour and developmentally appropriate levels. The disciplinary actions at Level 2 are administered by the Principal, and include the formal notification of parents, with written documentation. Some examples of Level 2 responses are:

- In school supervised detention
- Report submitted to the Board of Management
- Meeting with parent(s)/guardian(s)
- Suspension from school of one to five days, depending on the severity of the Behaviour
- Implementation of extensive Behaviour management plan

Level 2: Supportive Interventions

Listed below are some examples of Level 2 supportive actions:

- Team conference to include classroom teacher, other involved staff, Assistant Principal or Principal.
 - Request for assistance from external agencies such as the National Educational Psychological Service, Health Service Executive Community Services, the National Behavioural Support Service, Child and Adolescent Mental Health Services, National Council for Special Education.
 - Referral of a Child displaying behavioural problems for psychological assessment (with the parent(s)/guardian(s) consent).
-

Level Three

Level 3: Behaviours

Level 3 behaviours are considered the most serious violations. These behaviours endanger the immediate health, safety and personal well being of the pupils and staff of the school. They represent a direct threat to the orderly operation of the school environment. Situations, which include illegal activity, may result in contact with the Garda Síochána after parental involvement. Listed below are some examples of the types of behaviour that are included in Level 3. Please note that the list is not exhaustive.

- Repeated or serious instances of Level 2 behaviour which have not been modified by intervention
- Setting fires
- Intentional possession or use of weapons
- Violent fighting or intentionally causing physical harm to others
- Discriminatory or prejudicial activities or actions toward another person or group involving race, gender, religion, physical condition, handicap, or ethnic origin

Level 3: Disciplinary Actions

Behaviour at Level 3 may involve suspension from school. The length of the suspension will depend upon the severity and frequency of the specific Behaviour. Specific information about due process and procedures in respect of the issuing of a suspension is contained in this document. Level 3 responses:

- **Suspension from school for one to five days:**
This response will occur with the first incidence of Level 3 behaviour or Level 2 behaviour of significant severity. The Principal following due process and procedure, can issue a suspension.
- **Suspension from school for five to ten days:**
This response will occur with the repeated incidence of Level 3 behaviour or a severe expression of this Behaviour. A suspension of this magnitude will only be issued with the approval of the Board of Management.
- **Expulsion:**
Repeated incidents of Level 3 behaviour can result in a pupil being expelled.

8. PROCEDURES FOR SUSPENSIONS & EXPULSIONS

8.1 Suspension

Definition of Suspension:

'requiring the student to absent himself/herself from the school for a specified, limited period of school days'

Developing A Code of Behaviour: Guidelines for Schools, National Educational Welfare Board

Authority to Suspend:

The Board of Management of *Bodyke National School* has formally and in writing delegated the authority to impose an 'Immediate Suspension' to the Principal Teacher. An 'Immediate Suspension' may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

Furthermore, the Board of Management has formally and in writing delegated to the Principal Teacher the authority to impose an 'Automatic Suspension' for named behaviours detailed in this policy. An Automatic Suspension may be for a period of one to three school days depending on the severity of the specific behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

The Board retains its authority to suspend a student in all other cases/circumstances.

Immediate Suspension and Automatic Suspension

An 'Immediate Suspension' will be deemed to be necessary where after a preliminary investigation the Principal reaches the determination that the continued presence of the pupil in the school at the time would represent a serious threat to the safety and wellbeing of pupils or staff of the school. An 'Immediate Suspension' may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

An 'Automatic Suspension' is a suspension imposed for named behaviours. The Board of Management of *Bodyke National School* having given due consideration to its duty of care as prescribed by Health & Safety Legislation, has determined that the following named behaviours will incur 'Automatic Suspension' as a sanction;

- Physical assault/violence resulting in bodily harm to a pupil or member of staff
or
- Physical violence resulting in serious damage to school property
or
- Leaving the school without permission during the school day.

An Automatic Suspension may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

Parent(s)/Guardian(s) will be informed of an Immediate or Automatic Suspension by telephone, and arrangements will be made with them for the pupil to be collected. In no circumstance will a student be sent home from school prior to his/her parent(s)/guardian(s) being notified. Formal written notification of the suspension will issue in due course, but no later than 2 school days after the imposition of the suspension. Such a notification will detail:

- the duration of the suspension and the dates on which the suspension will begin and end
- the reasons for the suspension
- any study programme to be followed
- the arrangements for returning to school, including any commitments to be entered into by the pupil and the parent(s)/guardian(s).

The Board of Management acknowledges that the decision to impose either an Immediate or Automatic Suspension does not remove the duty to follow due process and fair procedures. In this regard, and

following a formal investigation, to be completed **no later than 2 school days** after the incident the Board will invite the pupil and his/her parent(s)/guardian(s) to a meeting to discuss;

- the circumstances surrounding the suspension,
- interventions to prevent a reoccurrence of such misconduct.

The Board of Management of *Bodyke National School* acknowledges the fundamental importance of impartiality in the investigation process. In this regard the following undertaking is given;

- i. No person with a vested interest or personal involvement in the matter will be involved in the organisation or implementation of the investigation procedure.

Procedures in Respect of Other Suspensions:

In cases other than those of Immediate or Automatic Suspension the following procedures will apply;

The following procedures will be observed;

A written letter containing the following information will issue to Parent(s)/guardian(s);

- i. details of the alleged misbehaviour, details of the impending investigation process, and notification that the allegation could result in suspension.

- iii. The person(s) involved in the investigation process will on presentation of a full report of the facts absent himself/herself/themselves from the decision-making process.

Where a decision to suspend has been made the Chairperson of the Board of Management will provide written notification to the parent(s)/guardian(s) and the pupil of the decision. The letter will confirm:

- the duration of the suspension and the dates on which the suspension will begin and end
- the reasons for the suspension
- any study programme to be followed
- the arrangements for returning to school, including any commitments to be entered into by the pupil and the parent(s)/guardian(s)
- the provision for an appeal to the Board of Management.

Where a suspension brings the total number of days for which the pupil has been suspended in the current school year to twenty days the parent(s)/guardian(s) will be informed of their right to appeal to the Secretary General of the Department of Education and Skills under Section 29 or the Education Act 1998 and will be provide with information on the submission of such an appeal.

11. ANTI-BULLYING POLICY

In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of *Bodyke National School* has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published by the Department of Education & Skills in September 2013.

11.1 Best Practice in the Prevention of Bullying Behaviour

The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

- A positive school culture and climate which-
 - is welcoming of difference and diversity and is based on inclusivity;
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - promotes respectful relationships across the school community;
- Effective leadership;
- A school-wide approach;
- A shared understanding of what bullying is and its impact;
- Implementation of education and prevention strategies (including awareness raising measures) that-
 - build empathy, respect and resilience in pupils; and
 - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
- Effective supervision and monitoring of pupils;
- Supports for staff;
- Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
- On-going evaluation of the effectiveness of the anti-bullying policy.

11.2 Definition of Bullying

In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Types of Bullying:

The following are some of the types of bullying behavior that can occur amongst pupils:

Physical aggression: This behavior includes pushing, shoving, punching, kicking, poking and tripping people. It may also take the form of severe physical assault. While pupils often engage in 'mess fights', they can sometimes be used as a disguise for physical harassment or inflicting pain.

Intimidation: Some bullying behavior takes the form of intimidation: it may be based on the use of very aggressive body language with the voice being used as a weapon. Particularly upsetting can be a facial expression which conveys aggression and/or dislike.

Isolation/exclusion and other relational bullying: This occurs where a certain person is deliberately isolated, excluded or ignored by some or all of the class group. This practice is usually initiated by the person engaged in bullying behaviour and can be difficult to detect. It may be accompanied by writing insulting remarks about the pupil in public places, by passing around notes about or drawings of the pupil or by whispering insults about them loud enough to be heard. Relational bullying occurs when a person's attempts to socialize and form relationships with peers are repeatedly rejected or undermined. One of the most common forms includes control: "Do this or I won't be your friend anymore" (implied or stated); a group ganging up against one person (girl or boy); non-verbal gesturing; malicious gossip; spreading rumours about a person or giving them the 'silent treatment'.

Cyber-bullying: This type of bullying is increasingly common and is continuously evolving. It is bullying carried out through the use of information and communication technologies such as text, social network sites, e-mail, instant messaging (IM), apps, gaming sites, chat-rooms and other online technologies. Being the target of inappropriate or hurtful messages is the most common form of online bullying. As cyber-bullying uses technology to perpetrate bullying behaviour and does not require face to face contact, cyber-bullying can occur at any time (day or night). Many forms of bullying can be facilitated through cyber-bullying. For example, a target may be sent homophobic text messages or pictures may be posted with negative comments about a person's sexuality, appearance etc.

Name calling: Persistent name-calling directed at the same individual(s) which hurts, insults or humiliates should be regarded as a form of bullying behaviour. Often name-calling of this type refers to physical appearance, e.g., size or clothes worn. Accent or distinctive voice characteristics may attract negative attention. Academic ability can also provoke name calling. This tends to operate at two extremes. There are those who are singled out for attention because they are perceived to be weak academically. At the other extreme there are those who, because they are perceived as high achievers, are also targeted.

Damage to property: Personal property can be the focus of attention for bullying behavior. This may result in damage to clothing, mobile phone or other devices, school books and other learning material or interference with a pupil's locker or bicycle. The contents of school bags and pencil cases may be scattered on the floor. Items of personal property may be defaced, broken, stolen or hidden.

Extortion: Demands for money may be made, often accompanied by threats (sometimes carried out in the event of the targeted pupil not delivering on the demand). A pupil may also be forced into theft of property for delivery to another who is engaged in bullying behavior.

11.3 School Contact Personnel

The relevant teacher(s) for investigating and dealing with bullying is (are) as follows:

Susan Neylon, Éadaoin Ryan and Eimear McNamara.

11.4 Education & Prevention Strategies

The education and prevention strategies (including strategies specifically aimed at cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying) that will be used by the school are as follows:

Model respectful behaviour to all members of the school community at all times.

Explicitly teach pupils what respectful language and respectful behaviour looks like, acts like, sounds like and feels like in class and around the school.

Display key respect messages in classrooms, in assembly areas and around the school. Involve pupils in the development of these messages.

Catch them being good - notice and acknowledge desired respectful behaviour by providing positive attention.

Consistently tackle the use of discriminatory and derogatory language in the school – this includes homophobic and racist language and language that is belittling of pupils with a disability or SEN.

Give constructive feedback to pupils when respectful behaviour and respectful language are absent.

Have a system of encouragement and rewards to promote desired behaviour and compliance with the school rules and routines.

Explicitly teach pupils about the appropriate use of social media.

Positively encourage pupils to comply with the school rules on mobile phone and internet use. Follow up and follow through with pupils who ignore the rules.

Actively involve parents and/or the Parents' Association in awareness raising campaigns around social media.

Actively promote the right of every member of the school community to be safe and secure in school.

Highlight and explicitly teach school rules in pupil friendly language in the classroom and in common areas.

All staff actively watch out for signs of bullying behaviour

Ensure there is adequate playground/school yard/outdoor supervision.

School staff can get pupils to help them to identify bullying "hot spots" and "hot times" for bullying in the school.

11.5 Investigation & Follow-Up Procedures

The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

The primary aim for the relevant teacher in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);

(ii) In investigating and dealing with bullying, the teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;

(iii) All reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly;

(iv) Non-teaching staff such as secretaries, special needs assistants (SNAs), bus escorts, caretakers, cleaners must be encouraged to report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

(v) Parents and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;

(vi) It is very important that all involved (including each set of pupils and parents) understand the above approach from the outset;

(vii) Teachers should take a calm, unemotional problem-solving approach when dealing with incidents of alleged bullying behaviour reported by pupils, staff or parents;

(viii) Incidents are generally best investigated outside the classroom situation to ensure the privacy of all involved;

(ix) All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;

(x) When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;

(xi) If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;

(xii) Each member of a group should be supported through the possible pressures that they may face them from the other members of the group after interview by the teacher;

(xiii) It may also be appropriate or helpful to ask those involved to write down their account of the incident(s);

(xiv) In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parents of the parties involved should be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school should give parents an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports for their pupils;

(xv) Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;

(xvi) It must also be made clear to all involved (each set of pupils and parents) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parents and the school;

- (xvii) Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable. This can have a therapeutic effect;
- (xviii) In cases where the relevant teacher considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after he/she has determined that bullying behaviour has occurred, it must be recorded by the relevant teacher in the recording template.
- (xix) In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
- Whether the bullying behaviour has ceased;
 - Whether any issues between the parties have been resolved as far as is practicable;
 - Whether the relationships between the parties have been restored as far as is practicable; and
 - Any feedback received from the parties involved, their parents or the school Principal or Deputy Principal;
- (xx) Where a parent is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parents must be referred, as appropriate, to the school's complaints procedures;
- (xxi) In the event that a parent has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parents of their right to make a complaint to the Ombudsman for Children.
